

## **Giant Bicycles 6 Days of Burnaby – Day 5 Report and Results**

by Chris Reid / Pedal Magazine

January 7, 2007 (Burnaby, B.C.) – Symmetrics won both 100-lap madisons yesterday evening as racing resumed at the Giant Bicycles 6 Days of Burnaby for the fifth day of racing.

Cam Evans suffered a last lap crash but was ok, as was Tyler Farrar who crashed in the second 100-lap madison.

Jenny Trew won both of the women's races, a scratch race and an elimination to scratch while Laura McKenzie was second in both events.

Murray Solem won the men's A scratch race and Scott Laliberte took the A points race.

Cam MacKinnon defeated Matt Chater in the finals of the men's sprints, as well as winning the keirin ahead of Matt Chater and Matt Barlee.

As the week of 6-day racing comes to an end competitors are beginning to tire and the effects are evidenced by the number of minor crashes in the men's madisons.

It's a full day of racing for all riders as Jenny Trew's computer read 103km at the end of the evening.
